III. ITEMS SCHEDULED FOR CONSIDERATION

REFERENCE

A. FISCAL

a. Budget Report

III A.a.

Larry Tamayo from ExEd presents the August financial report and a budget update. School is forecasted to be negative \$200,000. 68% of revenue this year is one-time funds. It is ok to be negative but it can not be an annual trend. Working with Tunney to hone in expenses for the year. Received first state payment based on ADA enrollment. Tamayo will request funds from OUSD (property tax related). Approx \$150,000. October 3rd is the official census date.

Tunney explained that more resources were spent on support services at the beginning of the year in order to help with starting a new school year. These services will gradually taper down.

The first year of a new school is the hardest.

B. RECRUITING AND ENROLLMENT

a. Enrollment plan overview

III B.a

Tunney reported that 2 new TK students have enrolled. Both are direct references from current TLC families. An enrollment initiative has launched. 4 Paraprofessionals and Leslie Lopez have been working on outreach in the community.

Tunney to speak at the public library, invited by Jessica Martinez.

Looking at grants to support retention of special education teachers.

Emphasis on the full day TK and kindergarten programs.

Cosier asks for board members to work with Tunney directly to support recruitment and enrollment.

C. PERSONNEL & OPERATIONS

D. GOVERNANCE

- a. Amendment to Bylaws: The Board will consider for action an amendment to its bylaws concerning the process for filling vacancies on the Board. III D.a.

- b. Board Policy on Board Composition and Recruitment: The Board will consider for adoption a policy addressing the composition goals and recruitment process for filling vacancies on the Board. III D.b.

Magill reported on board policy regarding board composition and recruitment. Magill recommends that we remove the wording from the bylaws that calls for a committee. Remove Section 7 from the bylaws.

Motion by Hanreddy to accept the revised bylaws. Seconded by Magill. Motion passes with a vote of 5-0.

Cosier shared a draft board composition matrix that revealed areas of need: accounting, real estate, personnel.

Magill suggests prioritizing our needs. Hanreddy believes community organizing and engagement is a need. Cosier and Thompson believes a finance person is a great need.

Cosier will do an analysis of board diversity with a focus on having a diverse board. Susan Mas has talked to the Community Foundation. Mas has suggested building committees over time will help with board recruitment.

- a. Board Policy on Research Proposals: The Board will consider for adoption a policy outlining protocol for approving research proposals.

III D.c.

Magill reviewed board policy on research. Magill looked at Chime and Wish’s policies on research. A committee would be subject to the Brown Act. If it is a standing committee, even if there is one board member on it, it is subject to the Brown Act. If Tunney or the board establishes a standing ad hoc committee, she may select a board member and others with a knowledge of research. Any research must comply with FERPA.

Change paragraph 2: The board of directors or the executive director may establish a standing or ad hoc research committee. Hanreddy suggests proposals submitted to the board chair and executive director, then either may establish a committee to review the preliminary research proposal.

Motion to approve with changes by Cosier. Seconded by Magill. Motion passes with a vote of 5-0.
